OBJECTIVE

Optimistic dream chaser, aspiring to be the best version of myself. I am continuously aiming to develop my skill set so that I can be an effective and dynamic change agent. I am a self-motivated individual with strong interpersonal skills. Excellent communication skills and a professional, frank demeanour. I have an active personality and am passionate about the quality of my work. I'm enthusiastic about being a peer ambassador and expanding my circle of connections, especially in the IT industry. I hope to sharpen my developing skills daily for the best experience in my new job.
